ABOUT THE COLLEGE

Your future begins here

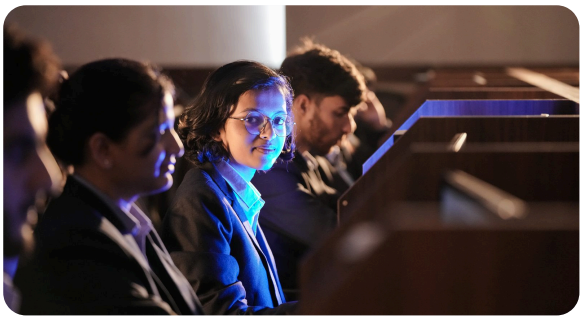

Established in 2021, MVM College of Arts, Science & Management (CASM) is governed by the MVM Educational Trust, formed by visionary educationists from varied professional backgrounds.

CASM is affiliated to Bengaluru City University and approved by the Government of Karnataka and AICTE. The college has good infrastructure, well-ventilated classrooms with interactive, technology-based teaching, and qualified, committed faculty who give individual attention to each student.

Teaching and learning are application-oriented and outcome-based. Research and project-based learning are encouraged, to develop critical thinking for employability and entrepreneurship.

Part of MVM Educational Institutions. MVM began its educational journey in 2003, and the MVM Educational Trust was founded in 2010. Today it runs ten colleges on one campus in Vikas Layout, Palanahalli, Yelahanka, offering 50+ undergraduate and postgraduate programmes in health sciences, pharmacy, law, arts, commerce and management.

FROM THE PRINCIPAL

Welcome to MVM CASM

Dr. Shobhana Saxena

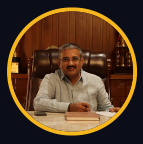

Principal, MVM College of Arts, Science & Management

> We are in the midst of interesting times with great opportunities. India is the next frontier of the economic revolution, and the aspirations, energy and acumen of its youth will be the key to its economic transformation and digital revolution.

It gives me immense pleasure to welcome you to the creative world of MVM CASM, an eco-friendly campus with excellent infrastructure. Our well-equipped ICT classrooms, labs, workshop studio, library and reading room help students attain the highest standards in academics and professional excellence. We also have excellent sports amenities, a Yoga & Wellness centre and recreational facilities.

We focus on the holistic development of our students: sound conceptual knowledge coupled with skill building and value-added programmes, taught and mentored by talented, dedicated faculty. As a Bengaluru City University affiliated college, we have worked with industry experts and researchers to build a value-added curriculum that bridges the gap between industry and academia. Industry visits, seminars, conferences, NSS, field visits, internships and mini projects add to this journey, and our placement cell has high success rates year after year.

Success is inevitable where there is foresight, firm determination, hard work and discipline. We are certain you will grow into confident technocrats, entrepreneurs and business analysts.

"At MVM Educational Institutions, our intent is to promote a progressive society by imparting education that becomes the first step towards empowering students to make this world a better place."

Shri M.V. Muniraj · Chairman & Founder Trustee, MVM Educational Trust

WHY CHOOSE US

Why choose MVM CASM?

01

Diverse programmes

Courses that match the changing needs of industry and education.

02

Experienced faculty

Skilled teachers committed to helping every student succeed, with guidance and support.

03

Modern facilities

A campus with advanced technology and resources for the best learning experience.

04

Well-rounded growth

Technology-based activities that help students grow in every area.

05

Placement support

A team that connects students with internships and job opportunities.

06

Add-on courses

Globally certified courses in Cisco, Microsoft, Python, SAP and Project Management.
